REORGANIZATION

Republican Leaders Meet to Discuss Plans for Rehabilitating Party.

Propose Changes Along Progressive Lines and Suggest Change in Southern Delegation.

WANT PROGRESSIVES IN

Chicago, May 12th.—After the conference of Progressive Republican leaders here today, former Governor Hadley, of Missouri, stated that "a coalition of the Republican party and the Progressive party is not only desired, but is being sought."

Mr. Hadley explained that this was being sought in the attempted reform of the Republican party so that the Progressives who left the party last fall could rejoin.

Assoc. Press Telegram in Lexington Leader

Chicago, May 12.—The first steps toward "Reuniting the Republican Party" were taken at a conference of Republican United States Senators and other leaders of the party here today.

The conference decided to ask the Republican National Committee at its meeting May 24, at Washington, to issue a call for a National convention this year.

To reorganize the party "Along Progressive Lines," Senator Cummins, of Iowa; Senator Borah, of Idaho, and former Governor Hadley, of Missouri, together with the other leaders at the conference, agreed that the proposed convention shall change the basis of representation in future conventions and make other radical changes so that the party shall stand "For Constructive and Progressive Activities in the Affairs of Government."

"Does the suggestion to reunite the party mean that those who joined the Progressive party are to be asked to come back?" Senator Cummins was asked.

"It means just what I have said before, that the convention would be a sort of 'Lord's Supper' and all those who believe might partake," replied Senator Cummins.

After the conference which adjourned after being in session for two days, the following statement was given out:—

"At an informal conference of Republicans from eleven States held at Chicago, May 12, 1913, it was voted that it be submitted to the National Republican Committee as the opinion of those present, that a national convention of the party should be held this year at as early date as may be practicable for the purpose of considering the expediency of changing the basis of representation in future conventions so that the delegates shall proportionately represent Republican voters and not the general population to the end that the will of the members of the party may be more accurately determined; also for the purpose of changing the rules relating to delegates and members of the National Committee so that the primary election laws of the various States shall be recognized and have full force; and also for the purpose of making such changes in the methods of conducting National conventions and campaigns as shall conduce to giving the utmost possible effect to the principles and policies of the party."

"It was further the opinion that such a convention might properly and usefully take any other action desirable to reunite the party and to give assurance that it stands for constructive and progressive activities in the affairs of government to the end that the common welfare may be advanced."

"It was the unanimous belief of those present that the changes suggested should be made forthwith and that the National Committee be urged to take such steps to such an end."

Senator Borah acquiesced, although previously opposed to the convention idea.

Former Governor Hadley, of Missouri, who arrived today, also favored a convention.

Progressive Republican leaders from ten States are expected to draft preliminary for the reorganization of the party.

The statesmen who represent the Progressive wing of the party were strengthened this morning by the arrival of former Gov. Hadley, of Missouri, while Senator Works, of California, telegraphed that he hoped to reach the city in time to attend the afternoon session.

Other politicians from several Central States swelled the attendance to more than fifty.

The attendance of Senator Gronna of North Dakota, is said to have the disapproval of Senator LaFollette, who is not in sympathy with the gathering. The two have been strong political allies, and it is reported that the determination of Senator Gronna to attend has caused dissension.

Good Sees End of Progressive Party

Chicago, May 12th.—J. W. Good, of Iowa, who participated in the conference, said:—

"We recognized at the meeting that Progressivism in the Republican ranks has come to stay. We felt that it must be firmly and emphatically embodied in Republican principles. It was brought out that elections held since last fall show that the Progressive party merely was a temporary protest against the methods of the Republican National convention and that as soon as the Republican party reorganizes itself along progressive lines the third party will cease to exist."

As chairman of the conference, Senator Sherman was authorized to appoint a committee of five members, who, with the statements given out today as a basis, are to draft an address to the public and to the members of the National Committee.

J. F. Catron for County Attorney.

J. F. Catron this week began an active campaign for the nomination for County Attorney subject to the action of the Republican party at the primary in August. Mr. Catron has always been a Republican and was defeated at the last election of County offices four years ago by only eighteen votes by the present incumbent W. R. Lay. He made his race then upon this ticket and will ask his friends once more to give him their support upon the Republican ticket.

Mr. Catron is wellknown and is popular all over the county as was evidenced by the vote he received in that race and is sure to run a good race. He is an able lawyer, a man who makes few or no enemies, and will conduct his campaign in a gentlemanly manner, treating his friends and supporters and opponents with courtesy alike.

So far as known there is no one announced against him in the Republican ranks, and as the Progressives have no man out for this office, he will have only a Democratic opponent to run against.

MANY NOMINATIONS

A Number of Young Ladies Suggested as Worthy to Win the \$400 Piano

Get an Early Start; \$10 in Gold to be Given The Contestant With the Largest Number of Votes at the First Count.

The big prize voting contest announcement in these columns last week is creating more interest than we imagined it would at the beginning. Nominations of contestants are being sent to this office and soon there will be many who would be willing recipients of a fine \$400 Obermeyer & Sons piano or other valuable prizes enumerated in list.

All of these handsome prizes are enumerated in the announcement on another page, and will be given to some of the ladies of this and adjacent territory.

The question is: "How can I do it?" All that is necessary is to get your friends and relatives to trade with the merchants who are donating prizes in this popular voting contest. For each \$1.00 spent with the merchants you will receive 25 votes, which can be voted for any of the contestants. Also to get your friends to subscribe for The Mountain Advocate. For each one year subscription you will receive 600 votes, for each one year renewal 500 and for each one year back subscription 400 votes. Of course it will be understood that under no circumstances are coupons issued by the merchants except upon cash purchases.

Voting can commence at any time in a ballot box which is placed in The Mountain Advocate office and the keys of the box will be given to the awarding committee whose names will be announced in another issue of this paper.

Use the free vote coupon in this issue. If you know of any lady who has not been nominated and whom you thing would make a good race use the nominating blank below and send her name to The Mountain Advocate office, or bring it in person and her name will be entered. It matters not if she is married or single.

This is a popular lady voting contest; not necessarily a young lady contest. Read the rules elsewhere in this issue or we will mail them upon request. Inspect the offerings of the merchants and learn how you may secure votes for yourself or friend. Be sure and ask these merchants for coupons.

First count in contest will be made on June 13th, at which time \$10 in gold will be awarded to the contestant having the largest number of votes at that time.

DO IT NOW, and help some one reap benefit of this most liberal offer.

Remember that many of the merchants of Barbourville are interested in this contest and give a 25 vote coupon with each \$1.00 cash purchase.

Those who do not understand the rules and regulations of this contest can call at this office or write us and we will be pleased to go over the proposition with them.

Get busy and vote for your choice. This contest will be conducted squarely and no partiality will be shown to any one.

RESOLUTIONS

At a meeting of the Ladies' Aid of the First M. E. Church, in Barbourville, May 3rd, 1913, the following resolutions were offered and unanimously adopted:—

WHEREAS—It has pleased God to remove from our midst, our sister, Mrs. Ernest Faulkner, therefore be it:

Resolved, That our Aid has lost one of its most efficient and lovable members; that we deeply deplore our loss;

Resolved, Further, that as it has pleased Almighty God to call our sweet friend and collaborer from the vineyard below, to the Celestial plains; that we humbly submit to His decrees, as we recognize the fact that He doeth all things well; be it:

Resolved, Furthermore, that we tender to her afflicted husband, our heart-felt sympathy for the great loss which he has sustained; that we commend him to God that giveth and taketh away, according to His own set time. That we pray to God, who tempers the wind to the shorn lamb, to shield her from the tempestuous storms of life; that she be endowed with her mother's lovable traits of character; that at the last when life's journey for her is over, that she too, be safely anchored in the "Sweet-Haven of Rest;"

Resolved, Also, that we tender to the heart-broken mother, our loving sympathy in this her irreparable loss, and commend her for comfort to Him who alone can heal the broken-hearted, and soothe the wounded spirit.

To the sorrowing relatives and friends, you have the sweet assurance, that you shall meet her in the Paradise of God.

Resolved, That a copy of these resolutions be sent to the family, to each of the local papers, and be recorded in the minutes of this Society.

Made Good.

Edwin Sawyer, who joined the Middlesboro Baseball Team at the opening of the Appalachian League season has cinched his job and is now one of the most proficient players in that league. He was signed as utility man, but has been doing regular work in every game since the opening of the League except the two first games. It is predicted by the manager of his time that he will be the star player of the League before the close of the present season.

SOME SURPRISE

About the biggest surprise ever, was pulled off Wednesday afternoon when Charles G. Cole, son of L. M. Cole, and Miss Mattie Hayes, daughter of Mr. Sam Hayes, were united in the holy bonds of wedlock.

It was their original plan to elope to Cumberland Gap Wednesday afternoon, but fearing that their plans had become known, they took no chances and about 2 o'clock that afternoon Judge J. T. Stampert was procured and they were married at the law office of J. D. Taggle in the presence of Miss Blanche Taggle, Leonard Davis and S. H. Jones.

Few people outside of their parents knew that they contemplated such a step and it was a genuine surprise to their friends.

They left Wednesday night for Knoxville and will go from there to other points in Tennessee, for a few days honeymoon and will then return to this city where they will make their home for a while at least.

BASEBALL.

Last week we were treated to one of the wiredest exhibitions of alleged baseball ever attempted before in this city, and to one of the best games ever witnessed on the local diamond. Strange to say both these games were played by the same teams, S. B. M. S., of London, and Union College. The first game played last Friday was won by U. C. by the lopsided score of 19 to 2, and was the "rottenest" ever. Southpaw Bruner who was touted to be a wizard, was hammered to all parts of the lot and when one of the visiting players did get his hand on the ball it was only for the fraction of a second and then it was fumbled or thrown away and the home boys loaded through a long drawn out game until the ninth inning brought relief to the fans and the game was over.

This same team came right back the next day and put up as nice an exhibition as ever seen here and it was only in the ninth inning that U. C. was able to win in 2 scores and thus win the game by the score of 2 to 1. As a result of this miserable playing of the day previous there was not a large crowd out to see a really good game and the management lost money on the games played. U. C. has won 4 and lost three.

Chas. Davis Signally Honored

Chas. Davis, Great Sachem of the Red Men of Kentucky. This is the title that now belongs to our fellow townsman and editor. At the meeting of the Great Council of Red Men of Kentucky, held at Lexington this week, Mr. Davis was elected to the highest office within the gift of this fraternity and will serve in this capacity during the ensuing year. He

was passed from Great Senior Sagamore, which office he has held during the past year, and he is the second member of Tchopitoulas Tribe to reach this high distinction in fraternalism. This is the first time in the history of the Order in this State that one Lodge has had this distinction. W. H. McDonald having filled this office previously, and the members have just cause to feel proud of this recognition.

Mr. Davis has always stood high in fraternalism and is prominent in the Odd Fellows of Kentucky as well as the Red Men, and we congratulate our fellow townsman in thus receiving this honor.

Outside of being editor of a democratic newspaper, he is alright, and in this he is "more to be pitied than censured." Again we congratulate you, Great Sachem Davis.

What the Kidneys Do

Their Unceasing Work Keeps Us Strong and Healthy

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—which vary widely but may include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel, disorders of the sight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.

S. R. Sutton, Main St., Williamsbury Ky., says: "My experience with Doan's Kidney Pills has been such that I can recommend them to kidney trouble. The action of my kidneys was irregular and often accompanied by pain, my back bothered me and I felt all worn out. When I heard about Doan's Kidney Pills, I used them and they made me feel better in every way."

For sale by druggists. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Studebaker

"Yes, our new wagon's a Studebaker—the only kind we KNOW"

"The Studebaker idea has been in our family for sixty years. We have never thought of buying any other kind of a wagon."

"It's true, we're continually being offered other wagons costing a little less, with lots of promises as to what they will do. But we know in our family what a Studebaker will do. A few dollars difference in price doesn't mean much. It's the service a wagon gives that we consider most."

"Long service for a fair price means more every time than short service for a few dollars less."

"That's why we stick to Studebaker—and 'Stick to Studebaker' is a pretty good motto for a man who uses wagons."

"Studebaker wagons are built of good stuff. They're made right by people who've had years and years of experience in making them right—people who are trusted the world over."

"Studebaker wagons last, because they're made to last."

"Look out for the dealer who tells you his wagon is just as good as a Studebaker. That's my advice after a good deal of experience—and the experience of all of my people. You get a Studebaker and you've got a safe investment."

"All is Well That Ends Well"

Along with dyspepsia comes nervousness, sleeplessness and general ill health. Why? Because a disordered stomach does not permit the food to be assimilated and carried to the blood. On the other hand, the blood is charged with poisons which come from this disordered digestion. In turn, the nerves are not fed on good, red blood and we see those symptoms of nervous breakdown. It is not head work that does it, but poor stomach work. With poor thin blood the body is not protected against the attack of germs of grip—bronchitis—consumption. Fortify the body now with
